About DDSO...Forty Years of Excellence

DDSO (Developmental Disabilities Service Organization) was launched in 1975 by a handful of parents who had a vision of a better life for their children with developmental disabilities. Assisted by Alan and Mary Short, DDSO opened the Alan Short Center in Stockton a year later, hiring professional community artists to work side by side with individuals with developmental disabilities. Today DDSO serves over four hundred individuals in eight programs in Stockton and Sacramento and has changed the lives of those served and made our communities a better place for all.

Celebrate their Spirit..

At this event, we will celebrate the remarkable achievements of clients from all of the DDSO programs: Achievement, Development & Care (ADC), Alan Short Center (ASC), Alan Short Community Access Program (ASCAP), Community Integration Program (CIP), Employment Plus (E+), Short Center North (SCN), Short Center South (SCS), and Transitions for Tomorrow (T2). These honorees have shown strength in spirit and heart, and have risen above adversity and challenges to be the best person that they can be. At the event we will recognize and support their courage and determination to meet life's challenges as everyday heroes who deserve recognition and applause.

Celebrate the Arts...

The arts are a vital part of every community, and the essence of how the arts can change lives is captured daily at the DDSO Short Centers. Our clients are constantly uncovering talent and creativity in surprising ways. Individuals have thrived because there is no failure in the arts, and success has increased throughout the years! The visual arts, music, and theater have all enriched the lives of those who were on the margin of society, and brought us together in a richer, more inclusive community.

Celebrate Community...

Join your fellow art patrons and disability advocates for tasty treats, wine tasting, and exclusive previews of new creative works from DDSO clients. We embrace those who have fought the good fight for all or most of their lives, and we include them as a vital part of our lives. Through this, we are made whole. For the donors and volunteers who make this event possible, we thank and applaud you. The DDSO Board and Foundation Trustees extend our heartfelt appreciation for your continued support. Your generosity is an inspiration to continue our services and to make a more accepting community where all human lives are valued.
